PAUL —
VINCENT VAN DUYSEN 2016

1—
7

Paul is a set of elegantly proportioned sofas with reassuring lines, elements that emphasize Vincent Van Duysen's expressive rationality. The project includes linear sofas, angular compositions, chaises longues and islands, all with a single seat cushion. Paul features generous dimensions, distinctive double seams and great comfort, elements that look good, even in the center of the room. The impression is lightweight, accentuated by the neat design of the pressure die-cast aluminum feet. Items featuring considerable depth complete the project, for a comfortable, luxurious and cosy way of sitting.

Notes

- At the time of ordering, specify the typology of the backrests (with or without the roller). If backrests with rollers are selected, specify the quantity.

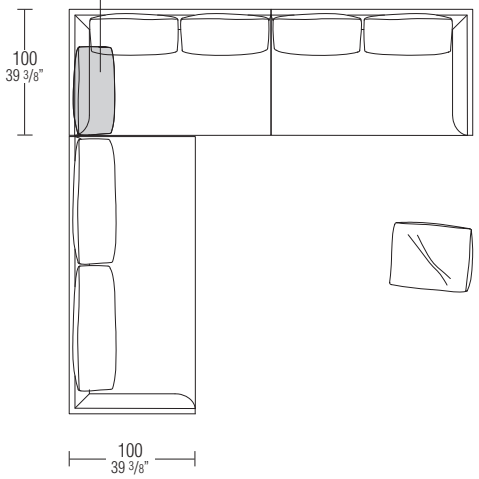
- It is possible to combine sofas with different depths.

- At the time of ordering, it is possible to choose between two types of seat cushions: STANDARD or SOLID (more rigid). If no specifications are indicated, the STANDARD type will be confirmed.

EXAMPLE OF COMPOSITIONS

Molteni&C

PCSA60



Attention:
in compositions with corner
please add a corner cushion:
for elements with D 100 **cod. PCSA60**
for elements with D 120 **cod. PCSA80**

Corner cushions can also be fitted with headrest rollers

PCSA80
